HISLOP COLLEGE

'Where the Best become Better and the Less turn Laudable'

The Hislop Story

The story of Hislop College began more than a hundred and fifty years ago, when a young Scottish missionary, heeding to the call of the Master, Jesus Christ, set out for India with fire in his belly and dreams in his eyes. Stephen Hislop's humanitarian zeal motivated him to start in 1846 a boy's school at Shukrawara, old Nagpur. From such a modest beginning, the dream that this visionary saw, slowly but surely actualized in the shape of Hislop College as it stands today- one of the finest institutions of higher learning in Central India with over 5000 young boys and girls. The College has steadfastly served society and the country by producing great personalities: from astute leaders and acclaimed scientists to prolific litterateurs and brilliant sportsmen.

The College offers under-graduate and post-graduate courses in all three faculties, i.e., Arts, Science and Commerce. These include Biotechnology, Biochemistry, Computer Science, Electronics, Mathematics, Statistics, Physics, Chemistry, Botany, Zoology and Fresh Water Fish Culture (FWFC) in the Science stream, Business Administration, Computer Management in the Commerce stream and Communicative English, Marathi, Hindi, Sanskrit, English Literature, Psychology, History, Political Science, Sociology, Philosophy in the Arts stream. A multi-discipline faculty, demographically varied student body, relevant specializations, in-depth tutoring, student feedback and parent-teacher meets, all these and more make the experience of learning in Hislop an unforgettable one. The highly qualified and experienced faculty, backed by a liberal and proactive Management, inspires students to strive continuously to set higher benchmarks in academic and athletic excellence.

The College campus is spread across more than 7.5 acres of land. The main building encloses a quadrangle that has a proscenium, a basketball court and a lush green lawn fringed by a variety of trees and flower plants. Besides these, the 40,000 sq. m. playground, the modern and renovated auditorium, and the multi-cuisine cafeteria provide young enthusiastic minds with spaces that stimulate a synergy of ideas and activities. A state of the art gymnasium has come up. The College also offers residential accommodation for girls in its on-campus hostel.

Hislop College has been re-accredited by NAAC with A grade with a CGPA Rating of 3.31. This is one of the many glorious achievements that the college is proud of. The College reaffirms its commitment to mould minds, build character and shape careers of the younger generation. It also looks forward to face the new challenges in the years ahead.

CAMPUS TO CORPORATE

Every year new graduates enter the workforce filled with excitement, anticipation and trepidation. It's a time where everything is new and unfamiliar a time where attitudes are shaped and habits formed. The TCS certified Campus to Corporate course is specifically designed to enable new graduate students to make the transition from the casual lifestyle of college campus to the corporate corridors smooth and stress-free. It creates a sound foundation from which students can launch their career and instill in them the ethics, attitudes and dress code essential to become an effective member of a professional and effective team. The course will train students in employability skills like communication and presentation skills, interview and group discussion techniques, resume writing, corporate etiquette etc.

Finance and Accounting for BPS

Student employability after completing graduation is a matter of serious concern and debate in contemporary times. Taking the concept of industry-academia interface forward, the Business Process and Outsourcing Services Unit of Tata Consultancy Services (TCS) has prepared a Finance and Accounting in Business Process Services' course for students of B.Com., B.C.C.A., B.B.A., and M.Com. TCS has designed the course in such a manner that it will sharpen the understanding of finance and accounts that students are exposed to in practical working and also enhance their ability to take up roles in the BPS industry. A large number of students have already benefitted from the course which is imparted by trained TCS certified trainers. Students enrolling in Hislop College can take additional advantage of this course, thus boosting their employment prospects.

Hislop College Alumni Association (HISCAAN)

HISCAAN the Alumni Association of Hislop college with its motto -'We can and We Do' provides a platform for bringing the ex-students into the premises of the College and to utilize their expertise, knowledge and achievement in various fields of life for the welfare of the College and gives an opportunity to connect to their alma mater. It also aims to bring all Hislopians under one umbrella to interact, connect professionally, intellectually and grow relationships with the common thread of Hislop College.

HISCAAN in collaboration with the College conducts developmental programmes for students with a view on their holistic development. These include, **Knowledge Skill Workshops, Motivational talks, Talks on Career Opportunities in various fields** on a regular basis. These define the vision that would encompass not only academics, but all round growth of the students including sports, arts and culture.

The Association under its **HOPE** scheme has sponsored more than 500 needy students since 2013, from Science, Arts and Commerce stream after a rigorous selection process.

TRAINING & PLACEMENT CELL

The College has a fully functional Students Training and Placement Cell. The students are ably groomed, trained and geared for the corporate world. Training and Placement Cell has an MOU (Memorandum of Understanding) with TCS and has been successfully running an add-on course on "Campus to Corporate" and "Finance Accounting for BPS." The companies that have recruited our students include TCS, IBM, Mahindra Finance, Wipro Technologies, Infosys, NIIT, Aptech, Kingfisher Airlines, Biocon, Dr. Reddy's, Sun Pharma, and several others.

DISCIPLINE COMMITTEE

The Discipline Committee keeps a vigilant watch and maintains order and discipline on campus. The Committee ensures discipline in the campus, college premises and classroom. Its goal is to create a safe & academically conducive environment for the students. It also takes measures against inappropriate behaviour including progressive discipline comprising suspension and expulsion where necessary.

GAMES & SPORTS COMMITTEE

The Games & Sports Committee aims to ensure organized physical education, sports and games activities. The aim is to create an environment that contributes to the optimal development of the individual's potential in all the phases of life. The main function is to organize and conduct various activities related to Health, Fitness, Sports and Games. The committee also promotes and facilitates participation of students at various sporting events at District, State, National and International levels.

STUDENT WELFARE AND S.Q.A.C. COMMITTEE

The College has an active and fully operational SQAC comprising of students of all the streams. The cell ensures a participatory role for students in the organizational life of the institution. Regular interaction between students and teachers through this forum enables students to give feedback and suggestions. These are then implemented to improve the overall quality and efficiency of the college.

SKILL DEVELOPMENT CENTRE

The main aim is to make students ready for the industry. There is a big gap between academic knowledge and the skills required by the industry. The centre aims to bridge this gap by giving training to the students in the various skills required by the industry/corporate world. Students here are trained to be practically oriented rather than be just academically perfect. We also aim to conduct Workshops and Seminars by industrial experts to share the latest trends and requirements of the industry.

COMPETITIVE EXAMINATION CELL

Competitive Exam Cell (CEC) is created to motivate students for all types of Competitive Exams and to bring out the aptitude and analytical skills and prepare the students to face competitive exams

with ease. Hislop CEC organizes awareness camps about these exams. We also conduct coaching for aptitude and reasoning in our campus itself. We also arrange sessions to guide the students on how to prepare for these exams and update them with the announcements of competitive exams and the syllabus.

HUMAN RIGHTS & EQUAL OPPORTUNITY CELL

The Human Rights & Equal Opportunity Cell is actively involved in ensuring and creating socially congenial atmosphere for academic interaction and for the growth of harmonious personal relationships among the students coming from various social backgrounds. The Cell aims to sensitize students about the human rights of every individual so that they lead a decent and dignified life without infringing on the rights of others. It also aims to sensitize the academic community about the problems associated with social exclusion. The Cell facilitates help to the socially disadvantaged group of students and aims to disseminate information related to the schemes and programs for socially weaker sections. Thus the objective of the Cell is to bring the Students of SC/ST/OBC/Religious minorities and Women into the main stream of development process by creating awareness amongst them.

ALUMNI ASSOCIATION

The Hislop College Alumni Association- HISCAAN is a wide umbrella under which students and teachers, present as well as former, share their experience, achievements, knowledge and expertise from different fields with each other. Imagine a world where all Hislopians come together to interact, connect professionally and grow intellectually! Over a period of time, this continuous process, we believe, would not only pave the way for individuals to benefit but even the institution to flourish. The outstanding performance of HISCAAN is its promotion of 'HOPE', a Student Aid Fund Project which has helped around 400 students receive financial assistance in the last 3 years.

STUDENTS' MENTORING CELL

Hislop College has introduced a unique programme of 'Student Mentoring' by their peers. Ideal senior students are appointed as 'Student Mentors' to guide and assist the first year students admitted in degree courses in knowing about various aspects of life on college campus including academics, administration & infrastructure so that the freshers become a part of this institution. This cell aims to build a positive environment in the student community by building bridges between juniors and seniors. This mentoring activity has helped promote self esteem and self efficacy among the students.

ANTI-RAGGING CELL AND ANTI - SEXUAL HARASSMENT CELL

The College follows a zero-tolerance policy towards ragging and sexual harassment. Students are sensitized on gender rights and gender equality through talks, seminars and obedience to the college code of conduct. Safety of girl students is of prime concern to us. The Hislop Internal Complaints Committee (HICC) has been constituted according to norms as specified in the New Act 2013 on Sexual Harassment of Women at Workplace: Prevention, Prohibition and Redressal. Earlier, the Anti Sexual Harassment Cell was constituted with an objective of looking after the welfare of the women employees and students, to facilitate redressal of their grievances, to help maintain a harmonious atmosphere at the workplace and to enable women to pursue their work with dignity and self

assurance. Sexual advances by fellow student or by any staff member of the college can be reported to the HICC (Hislop Internal Complaints Committee) immediately for timely action.

ENTREPRENEURSHIP DEVELOPMENT CELL

The ED Cell was started with the aim of developing institutional mechanism to create entrepreneurial culture in academic institutions to foster growth of innovation and entrepreneurship among the faculty and students. The cell aims to motivate students to undergo Entrepreneurship Development Program (EDP), skill development training and enhance self-employment opportunities. The ED Cell motivates them to take up entrepreneurial ventures by organizing seminars/ case studies/ guest lectures / workshops/ industrial visits.

COUNSELING COMMITTEE

The primary aim of the committee is to focus on the emotional, intellectual, spiritual, physical, occupational and social development of students. Counseling Committee also supports the academic mission of the college by coordinating an on-campus testing center. The Services of Counselling Committee includes:

- Aptitude testing
- IQ testing
- Personality testing
- Study skills training
- Relationship counseling
- Educational guidance
- Stress management
- Assertiveness training
- Communication skills training
- Peer counseling

EMERGENCY MEDICAL ASSISTANCE

The Emergency Medical Assistance is a committee dedicated to provide and/or coordinate first aid, either at the Campus or Hospital, as necessary. The Committee provides liaison services with the hospital, medical Check-up of hostel students, lists and conditions of those hospitalized, etc., as needed. The minor injuries are treated at the institutional Infirmary, if necessary.

Students' Forum

WOMEN'S STUDIES & DEVELOPMENT CENTRE

The main objectives of the center are to:

- open minds to issues and problems relating to the status and role of women in India
- make students aware of gender discrimination at home and at the work place
- tutor women on laws set up to uphold their rights to property and inheritance, to protect their person and their honour
- study the role and contribution of women in the evolution of society
- lay bare forms of oppression indulged in against women and their exploitation at different levels in society
- discuss theories which place women biologically, functionally and culturally in a subordinate position to men

Students are also given project work in their first year of their degree course. Based on the assessment of their project report, the students are eligible for incentive marks out of 10.

THE ATHENAEUM

The Athenaeum has two branches which deal with cultural as well as literary activities of the students. These forums are:

Hislop Centre for Performing Arts

Hislop Centre of Performing Arts is an initiative of Hislop College with a special focus on extra-curricular activities aimed to bring to fore the talent of its students beyond and besides the academic curriculum. Hislop Centre of Performing Arts has been organizing various workshops by experts from various fields for students of Hislop College. It is a befitting stage for the students to showcase their talents through competitions and drama festivals before a larger audience segment.

Hislop Literary Society

Hislop Literary Society is a students' forum which aims to promote literary activities among students in four major languages like English, Hindi, Marathi & Sanskrit. The forum holds various literary activities and competitions such as Word Busters, Quizzistan, Debate competition and Lit Masters.

NATIONAL SERVICE SCHEME (NSS) CELL

The endeavour of NSS students is to ensure that every one in our society who is needy should get every possible help from them so that they can also enhance their standards and lead a life of dignity in the society with all of us. This helps the volunteers to learn to make positive contribution to the

society in which they live.

The objectives of National Service Scheme are to arouse in the students social conscience and to provide them with opportunity:

- To work with/ among people.
- To engage in creative and constructive social action.
- To enhance their knowledge of themselves and the community.
- To put their scholarship to practical use in mitigating at least some of the problems.
- To gain skill in program development to enable them for self employment.
- To bridge the gulf between the educated and the uneducated masses, and
- To promote the will to serve the weaker section of the community.
- To practice national integration
- To develop capacity to meet emergencies and national disasters
- To acquire leadership qualities and democratic attitude.
- To identify the needs and problems in the community so that they can contribute to their solution.
- To develop among themselves a sense of social and civic responsibility.
- To apply their education in finding practical solution to individual and community problems.
- To develop competence required for group living and sharing responsibilities

SENIOR GIRLS NCC

The 3 Maharashtra Girls Battalion NCC Unit of Hislop College was formed in year 2011. It helps in developing physical fitness and inculcates basic discipline among its cadets besides promoting a sense of national pride and patriotism. NCC Unit has grown over the years. With 20 Cadets in 2011 at present it has strength of 50 Cadets. The Cadets participate in All India Thal Sainik Camp and IGC-RDC every year. The unit also celebrates NCC Day and other National Days by putting up spectacular shows that set an example of discipline & team spirit. NCC conducts various Social Service & Environmental activities like Blood Donation Camp, Tree Plantation Drive, Cycle Expedition, etc. NCC Cadets participate in various adventure camps like Trekking, Parasailing, Rock Climbing, etc. every year.

STUDENT'S REPRESENTATIVE COUNCIL

Every year Students Councils are constituted in the month of August, September & October in the College. Members are nominated on college Students Council by the Principal and then the secretary of the college Students Council is elected amongst the Student Member only. Principal is ex-officio President of the Student Council of a college.

Functions of the Students Council are defined in the Directions & Statute of University. They can organize various cultural or other extracurricular activities, Social gathering etc. at College level / University Dept. level.

There is a University Students Council at the University Level. This constitutes 15 Members nominated through selection from the elected secretaries of the Colleges/ P.G. Department as per Direction. This Council can organize Inter Collegiate activities e.g. different Cultural Competitions, Seminars, Workshops, Youth festival (Yuvarang) etc. every year in the University.

MAGAZINE EDITORIAL BOARD

The Magazine Editorial Board is a team of students involved in the conception, creation and designing of the college magazine, The Hislopian. The magazine has sections in various languages like English, Hindi, Marathi and Sanskrit and the aim is to provide a platform for the students to showcase their creativity, writing and reporting skills. The magazine features Panel Discussions on current issues, interviews and articles by distinguished authors, academicians, and exemplary Alumni of Hislop College.

The Magazine Editorial Board has functioned as an independent body. Its primary focus has been geared at covering events and notable issues within the college, as well as writing articles and conducting interviews aimed at navigating the student body's associations and relationships with current events, popular culture, academics, and so on.

ENVIRONMENT CELL

The Environment Cell help the students in acquiring basic knowledge about environment. It imparts knowledge about the principles required for the conservation and utilization of natural resources for the existence of mankind.

The cell informs the students about the social norms that provide unity with environmental characteristics. The cell undertakes various activities like cleanliness drives, awareness drives against the use of plastic and the need to save water, etc. The students are instrumental in selling environmental friendly products such as bio-degradable bags, natural & herbal colours for the festival of Holi.

ROTARACT CLUB

The Rotaract Club of Hislop College was chartered in the year 2006. It is sponsored by the Rotary Club of Nagpur, the oldest Rotary club in Central India. Rotaract Club of Hislop College comes under the Rotary International District 3030. The club has a wonderful image in the world of Rotary and Rotaract in this RI District 3030. Rotaract Club of Hislop College has been awarded four times with The Best Club Award at club and district level for its Philanthropic and Environmental projects undertaken by the young Rotaractors. The Rotaractors are the masterminds behind the endeavours taken by the club. Coming from different social, religious, economic and cultural backgrounds, these young students come together with one mission that is striving for the well-being of the underprivileged section of the society. They also strive to bring about environmental awareness through various events. The activities are funded by sponsorships as well as revenue generated through various fund raising projects organized by the Rotaractors.

SCIENCE SOCIETY FORUM FOR ARTS AND SOCIAL SCIENCE (FASS) COMMERCE SOCIETY CMC ASSOCIATION

These are associations for students whose aim is to increase the students' domain competence. The students plan and organize technical programmes and activities, such as, special lectures, workshops, seminars, symposia, exhibitions etc for the benefit of student members on a regular basis. It provides a common platform for the student members to exchange ideas and information on the topics of their interest e.g. curriculum, employment / higher educational opportunities, emerging trends, new development etc;

I. Identity Card/Bonafide Certificate:

- The Identity Card is an important document which a student must always carry on his/her person. It must be produced if required by any staff member in the college for purpose of identification.
- The card shows that the student is a bonafide member of Hislop college. It will also help him/her to establish his/her bonafides outside the college, in the library and the college or for paying fees, receiving payments etc.

HISLOP CENTRE FOR NET

Hislop Centre for NET offers classroom coaching program for the National Eligibility Test (NET). This test is to determine eligibility for college and university level lecturership and for the award of Junior Research Fellowship (JRF) for Indian nationals. On behalf of the University Grants Commission (UGC), the National Testing Agency (NTA) conducts NET for Humanities and Commerce whereas for science subjects, Council of Scientific and Industrial Research (CSIR) conducts NET. Hence the test is also known as NTA-NET for Humanities and Commerce and CSIR-NET for science subjects. Currently Hislop centre for NET is offering coaching for NTA-NET (English and Commerce) and CSIR-NET (Lifesciences).
